_____ commits to join The Climate Registry as a:
(Organization)

Member of the Carbon Footprint Registry

We intend to use The Climate Registry's authored protocols and standards as well as hands-on support and training to increase my organization's capacity for building a high quality carbon footprint. We understand that by meeting TCR's reporting requirements and successfully completing third-party verification, our GHG emissions report will be publicly available on The Climate Registry's website.

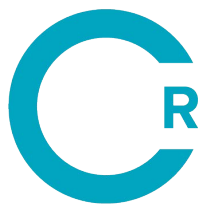

Annual Dues

Annual membership dues are based on your organization's revenue or operating budget. The Climate Registry offers **Essential**, **Advanced**, and **Premium** packages, allowing your organization to choose the level of support and engagement that best aligns with your goals and commitments. Below is the **Essentials** fees. Check the box that corresponds to your organization's annual revenue or operating budget, as applicable.
